## Dear Parent/Guardian:

Hunterdon Central realizes some families who do not qualify for the Federal Free Lunch Program may have difficulty paying the full price for their child's AP exams. To help with this, we've established a testing fund to subsidize part of the exam fee. The income thresholds which qualify families for this assistance are listed in the chart below. If approved, the fee for each exam will be \$55.00.\*

Your child must register for the exams, and return the completed application to his or her counselor no later than February 18, 2019. Until your application is reviewed, you will not be charged any money. If approved, Total Registration will notify you of the amount that is still due to be paid.
