

Class of 2019 ~ Parking Lottery Partner Application

-Please be sure to read the form completely and print legibly-

By completing and signing this form all parties agree that only **one parking spot** will be granted to the two students that are completing this partner application. All parties must coordinate and agree upon the schedule of which vehicle will be using the spot each day. This partner application does not require students to ride together to school each day. No “overflow” parking will be available for students in a miscommunication. All components of the application process must be completed by both students.

In regard to the lottery and discipline tier-the student “pair” will fall into the lowest tier of the two students.(Ex. Student A is in Tier 1 and Student B is in Tier 2 the pair would fall in Tier 2)

- The cost of the parking Fee will be shared by both students.
- **Both students and parents must complete this form and turn it in with the two (2) completed parking lottery applications & graduation packets.**
