The following requests for your consent are required by Federal and State laws, and by Hunterdon Central Regional High School.

Please indicate your consent below by choosing "YES" or "NO" after each description.

Videotape Consent

Hunterdon Central students are sometimes videotaped during award ceremonies, concerts, activities, sporting events or class projects. These videos are often broadcast on our designated cable television station, HCTV, or posted on our website or on Youtube. Parent/guardian consent is required before a student can be videotaped. If you do not give permission, your child will not be able to appear on HCTV during athletic events, concerts, school programs and award ceremonies that are broadcast on HCTV. Please note that if your child is a member of a sports team, this consent is a requirement for participation. Because of these reasons, please give careful consideration to your consent decision. Hunterdon Central will not allow outside media to videotape your child on school premises, during school hours, without first obtaining your consent. The exception to this may be athletic events, which outside organizations (i.e., television stations) sometimes tape and broadcast.

I GRANT permission for Hunterdon Central to include my child when videotaping projects related to Hunterdon Central. Yes No

Survey Consent

In order to be in compliance with directives issued by the State of New Jersey, schools must obtain parental consent in order to survey students regarding behaviors related to adolescent social and health issues. On occasion, Hunterdon Central surveys students regarding these issues, usually in our health classes. This allows the high school to target areas of concern and design services and programs to address these areas and meet the needs of students and their families, based on the survey results. Names are never collected as part of the survey process, so all information remains anonymous.

I GRANT permission for Hunterdon Central to include my child when conducting surveys related to adolescent social/health issues. Yes No

Vocational Consent

The Governor signed legislation requiring all school districts to provide pupil directory information to county vocational schools, upon request. This bill requires that a school district provide the county vocational school with the names and addresses of all students enrolled in the district, grades nine through twelve.

I GRANT permission for Hunterdon Central to release my child's information to the county vocational school.

If you, as the parent/guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal and such rescission will take effect upon receipt by the school.
