Dear Parent or Guardian:

We have been notified that your child was a passenger on a school bus owned by the Hunterdon Central Regional High School which was involved in a motor vehicle accident.

You may receive medical bills if medical treatment was rendered to your child. If medical bills are received, the bills must be processed for payment as follows:

If you have selected your health insurance carrier to be the primary source for PIP benefits or if you do not have an automobile policy of insurance in your household, you are to submit all bills to that health insurance carrier.

If you did not select your health insurance carrier to be the primary source for PIP benefits and there is an automobile policy of insurance in your household, you are to submit all bills to that automobile insurance carrier.

If you do not have health insurance and there is no automobile policy of insurance in your household, you are to submit the bills to your student accident insurance carrier if there was a policy in effect on the date of the accident.

If there is no health insurance, no automobile policy of insurance in your household, and no student accident insurance, please contact us.

Should you have any questions, please do not hesitate to contact us.

Sincerely,
Theresa D. Brewer
